News from Central Ky Corvair and Derby City Corvair

Happy New Year to all. Hope everyone's holiday season was safe and enjoyable. For Derby City/Central Ky Corvair Club's 2018 was a fun and a successful year with many events, tech sessions and get togethers. The Christmas party was well attended and the old anti-freeze joke for gift giving was once again played out with success. You can not beat the classics. Scheduling for 2019 events is now taking place. Please step forward with ideas and thoughts. We had good turnout for last year's activities and with earlier planning maybe this year we'll have better turnout, especially with the members that need to make plans around work. Included are pictures from Christmas party and dinner after the fall cruise to Bardstown.

With that being said - Happy New Years and remember meetings are the second Tuesday of the month @ 7:00. Bob Hook Chevrolet Bardstown Rd, Louisville Ky.
