

April 2019 Newsletter: Derby City Corvair Club

Not a lot of past news from the club. We had a very good turnout for the tech session in February @ Shields Service and monthly meetings have been very well attended. Much planning is happening for a very busy summer, many events, possible road rally's, and more. Quite a few members are planning on attending the National Corsa Convention in July. Have a good summer, plan on attending some events and enjoy.

Upcoming events:
